MEMORANDUM FOR: Deputy Director of Central Intelligence

VIA: Executive Director
Deputy Director for Administration

FROM: [REDACTED]
Director of Security

SUBJECT: Industrial Security Seminar
28 - 29 October 1982

1. The Office of Security is hosting an Industrial Security Seminar at Headquarters on 28 and 29 October 1982. The attendees will be corporate security officers representing firms with significant contractual relationships to the Agency. On this occasion there will be approximately 32 attendees from 20 firms that have contracts sponsored by the Office of Development and Engineering and the Office of Logistics. All attendees will hold Agency-sponsored SI/TK accesses. As before, the agenda will include general sessions and workshops. The general sessions will be held in Room 1A-07 Headquarters on both days.

2. You are invited to speak to the group at the opening session on Thursday, 28 October. If your schedule will allow this, thirty minutes have been reserved for this purpose beginning at 0915 hours. Please be in touch with the undersigned [REDACTED] on any aspect of this matter that you would like to ask or talk about. Your presentation at a similar Industrial Security Seminar in January was extremely well received; we believe that a repeat of the technology loss theme would be most appropriate and appreciated.

3. The Industrial Security Seminar agenda includes a social gathering in the Executive Dining Room from 1730 to 1930 hours on Thursday, 28 October. You are cordially invited to attend as a guest of the undersigned.
